Chapter 5: Theories of Democracy - Politics, Power, and
According to Robert Dahl, a U.S citizen in Alaska has a vote 54 times greater than the vote of a Californian. [1]
Likewise, in the selection of the U.S. President through the Electoral College, the absence of a direct popular vote means that votes in some states are more important than votes in other states.

Democracy - Wikipedia
Democracy (Greek: δημοκρατία, dēmokratia, from dēmos 'people' and kratos 'rule') is a form of government in which the people have the authority to deliberate and decide legislation ("direct democracy"), or to choose governing officials to do so ("representative democracy"). Who is considered part of "the people" and how authority is shared among or delegated by the people has

Representative democracy - Wikipedia
Representative democracy, also known as indirect democracy, is a type of democracy founded on the principle of elected persons
representing a group of people, in contrast to direct democracy. Nearly all modern Western-style democracies function as some type of representative democracy; for example, the United Kingdom (a unitary parliamentary constitutional monarchy), India (a federal

Democracy (Stanford Encyclopedia of Philosophy)

Liberal Democracy | Encyclopedia.com
Liberal DemocracyLiberal democracy is generally understood to be a system of government in which people consent to their rulers, and rulers, in turn, are constitutionally constrained to respect individual rights. However, widely divergent views exist regarding the meaning of consent and individual rights, of the particular forms of government that are best suited to the preservation of popular

Arguments commonly made in favor of direct democracy by its advocates include the following: 39. one of the many powerful interests involved in the policy process. 53 The highly regarded American political scientist Robert Dahl persuasively argues,

Interest Groups: Pathways to Participation and Influence

United States Government: Who is in control? | United
The United States guarantees its citizens the right to participate in government. In fact, the republic is based upon the ideas of consent by those who are governed and individual participation. If each individual, regardless of birth or circumstances, has value and possesses
unalienable rights, individuals may band together to protect and defend these rights.

Political Representation

(Stanford Encyclopedia of Philosophy)
Jan 02, 2006 · Historically, representation was considered to be in opposition with democracy [See Dahl (1989) for a historical overview of the concept of representation]. When compared to the direct forms of democracy found in the ancient city-states, notably Athens, representative institutions appear to be poor substitutes for the ways that citizens

When Fascism Comes To America, It Will Be Wrapped in the
Jul 28, 2017 · The 1939 book “Dixie Demagogues” by Allan A Michie and Frank Ryhlick, contained a chapter about Senator Robert R. Reynolds of North Carolina who was sharply criticized: 12. His words are mouthed from the most spotlighted forum in the country and they fall on the ears of millions.
