"I am a reader, a reader is merely the steward of words." Why Lewis and Tolkien Argued Over Christian Theology

This book is amazing. It covered the entire history of Tolkien's creation. It is not an easy read as it reads more like a history book rather than a novel and takes a little work to understand names and places, but some very wonderful human stories and maps are included for those to read.

Tolkien's narrative is juxtaposed, competing and meaningful, and still without a conclusion. In the end, he has added the ending to the reader, as though he's in being shared that's why

Tolkien Gateway
There was no TV when I was a child. I learned from books — and nature. I read every book about animals I could find. Doctor Dolittle and Tarzan led me to dream about living with animals in Africa.
