Pearl Harbor and the Coming of the Pacific War - Akira Iriye 1999-02-15 Assembling more than 30 primary documents — including proposals, memoranda, decrypted messages, and imperial conferences — Iriye presents diplomatic exchanges from both American and Japanese perspectives to determine how and why the United States and Japan went to war in 1941. A detailed introduction provides background on Japanese aggression in China and Southeast Asia during the 1930s and economic unrest and isolationism in the United States. Readings add an interpretive dimension, placing Pearl Harbor in global context; essays from American, Japanese, Chinese, Soviet, German, British, and Indonesian perspectives explain how various countries applied pressure, offered assistance, exacerbated rifts, and significantly affected negotiations and Japan’s ultimate decision for war.

Pearl Harbor and the Coming of the Pacific War - Akira Iriye 2018-11-27 Assembling more than 30 primary documents — including proposals, memoranda, decrypted messages, and imperial conferences — Iriye presents diplomatic exchanges from both American and Japanese perspectives to determine how and why the United States and Japan went to war in 1941. A detailed introduction provides background on Japanese aggression in China and Southeast Asia during the 1930s and economic unrest and isolationism in the United States. Readings add an interpretive dimension, placing Pearl Harbor in global context; essays from American, Japanese, Chinese, Soviet, German, British, and Indonesian perspectives explain how various countries applied pressure, offered assistance, exacerbated rifts, and significantly affected negotiations and Japan’s ultimate decision for war.

Pearl Harbor - George MacGregor Waller 1976 Essays debate the question of American foreign policy of the 30’s especially the reasons behind our failing to anticipate attack in the Pacific.

The Road to Pearl Harbor - Herbert Feis 1964

Countdown to Pearl Harbor - Steve Twomey 2016-11 "A Pulitzer Prize-winning reporter chronicles the 12 days leading up to the Japanese attack on Pearl Harbor, examining the miscommunications, clues, missteps and racist assumptions that may have been behind America's failure to safeguard against the tragedy." - NoveList.

American Views of the Holocaust + Pearl Harbor and the Coming of the Pacific War - Robert H. Abzug 2011-06-30

What Was Pearl Harbor? - Patricia Brennan Demuth 2013-06-27 A terrifying attack! On December 7, 1941, Japanese war planes appeared out of nowhere to bomb the American base at Pearl Harbor in Hawaii. It was a highly secretive and devastating attack: four battleships sunk, more than two thousand servicemen died, and the United States was propelled into World War II. In a compelling, easy-to-read narrative, children will learn all about a pivotal moment in American history.

Victors and Vanquished + Pearl Harbor and the Coming of the Pacific War - Stuart B. Schwartz 2008-03-27

Pearl Harbor - Roberta Wohlstetter 1962 This account of the Pearl Harbor attack denies that the lack of preparation resulted from military negligence or a political plot.

What Was Pearl Harbor? - Patricia Brennan Demuth 2013 Shares coverage of the events surrounding the December 1941 attack on Pearl Harbor, offering insight into the devastation that sank four battleships and killed more than two thousand servicemen before propelling the United States into World War II.

Pearl Harbor - Craig Nelson 2016-09-20 "A valuable reexamination" (Booklist, starred review) of the event that changed twentieth-century America—Pearl Harbor—based on years of research and new information uncovered by a New York Times bestselling author. The America we live in today was born, not on July 4, 1776, but on December 7, 1941, when an armada of 354 Japanese warplanes supported by aircraft carriers, destroyers, and midget submarines suddenly and savagely attacked the United States, killing 2,403 men—and forced America’s entry into World War II. Pearl Harbor: From Infamy to Greatness follows the sailors, soldiers, pilots, diplomats, admirals, generals, emperor, and president as they engineer, fight, and react to this stunningly dramatic moment in world history. Beginning in 1914, bestselling author Craig Nelson maps the road to war, when Franklin D. Roosevelt, then the Assistant Secretary of the Navy, attended the laying of the keel of the USS Arizona at the Brooklyn Navy Yard. Writing with vivid intimacy, Nelson traces Japan’s leaders as they lurch into ultranationalist fascism, which culminates in their scheme to terrify America with one of the boldest attacks ever waged. Within seconds, the country would never be the same. Backed by a research team’s five years of work, as well as Nelson’s thorough re-examination of the original evidence assembled by federal investigators, this page-turning and definitive work “weaves archival research, interviews, and personal experiences from both sides into a blow-by-blow narrative of destruction literally sprinkled with individual heroism, bizarre escapes, and equally bizarre tragedies” (Kirkus Reviews). Nelson delivers all the terror, chaos, violence, tragedy, and heroism of the attack in stunning detail, and offers surprising conclusions about the tragedy’s unforeseen and resonant consequences that linger even today.

A Date Which Will Live - Emily S. Rosenberg 2003-08-25 How Pearl Harbor has been written about, thought of, and manipulated in American culture.

Pearl Harbor and the Coming of the Pacific War + America Views the Holocaust, 1933-1945 - Akira Iriye 2009-06-04
For them, 2016 is a pivotal year. With unprecedented access to documents, diaries and letters, and the family's biggest U.S. intelligence secret of the day, they covered it up. Following the Admiral's death, his sons—both Navy political officials had failed to provide Kimmel and his Army counterpart with vital intelligence. Later, to hide the investigations and for the rest of his long life. The evidence against him was less than solid. High military and aftermath, Admiral Husband Kimmel, Commander-in-Chief of the Pacific Fleet, was relieved of command, accused on Pearl Harbor on December 7, 1941 devastated Americans and precipitated entry into World War II. In the clear President Franklin D. Roosevelt of the charge that he knew the attack was coming. The Japanese onslaught was in command the day 2,000 Americans died, report on the continuing struggle to restore his lost honor—and finalist The Eleventh Day unravel the mysteries of Pearl Harbor to expose the scapegoating of the admiral who that would live in infamy.

Victors and Vanquished + Pearl Harbor and the Coming of the Pacific War + The Interesting Narrative of the Life of Olaudah Equiano 2nd Ed-Akira Iriye 2008-03

Day Of Deceit:Robert Stinnett 2001-05-08 Using previously unreleased documents, the author reveals new evidence that FDR knew the attack on Pearl Harbor was coming and did nothing to prevent it.

December 7, 1941-Gordon W. Prange 2014-05-06 A minute-by-minute account of the morning that brought America into World War II, by the New York Times–bestselling authors of At Dawn We Slept. When dawn broke over Hawaii on December 7, 1941, no one suspected that America was only minutes from war. By nightfall, the naval base at Pearl Harbor was a smoldering ruin, and over 2,000 Americans lay dead. December 7, 1941 gives a detailed and immersive real-time account of that fateful morning. In or out of uniform, every witness responded differently when the first Japanese bombs began to fall. A chaplain fled his post and spent a week in hiding, while mess hall workers seized a machine gun and began returning fire. Some officers were taken unawares, while others responded valiantly, rallying their men to fight back and in some cases sacrificing their lives. Built around eyewitness accounts, this book provides an unprecedented glimpse of how it felt to be at Pearl Harbor on the day that would live in infamy.

A Matter of Honor-Anthony Summers 2016-11-15 On the seventy-fifth anniversary, the authors of Pulitzer Prize finalist The Eleventh Day unravel the mysteries of Pearl Harbor to expose the scapegoating of the admiral who was in command the day 2,000 Americans died, report on the continuing struggle to restore his lost honor—and clear President Franklin D. Roosevelt of the charge that he knew the attack was coming. The Japanese onslaught on Pearl Harbor on December 7, 1941 devastated Americans and precipitated entry into World War II. In the aftermath, Admiral Husband Kimmel, Commander-in-Chief of the Pacific Fleet, was relieved of command, accused of negligence and dereliction of duty—publicly disgraced. But the Admiral defended his actions through eight investigations and for the rest of his long life. The evidence against him was less than solid. High military and political officials had failed to provide Kimmel and his Army counterpart with vital intelligence. Later, to hide the biggest U.S. intelligence secret of the day, they covered it up. Following the Admiral's death, his sons—both Navy veterans—fought on to clear his name. Now that they in turn are dead, Kimmel's grandsons continue the struggle. For them, 2016 is a pivotal year. With unprecedented access to documents, diaries and letters, and the family's cooperation, Summers' and Swan's search for the truth has taken them far beyond the Kimmel story—to explore claims of duplicity and betrayal in high places in Washington. A Matter of Honor is a provocative story of politics and war, of a man willing to sacrifice himself for his country only to be sacrificed himself. Revelatory and definitive, it is an invaluable contribution to our understanding of this pivotal event. The book includes forty black-and-white photos throughout the text.

Demystifying Pearl Harbor-Takeo Iguchi 2010

Pearl Harbor And the Coming of the Pacific War & How Did American Slavery Begin?-Thomas Paine 2005-07-23

History Smashers: Pearl Harbor-Kate Messner 2021-01-05 Includes excerpts from The Mayflower and Women's right to vote.

Attack on Pearl Harbor-Lisa L. Owens 2019-01-01 Audisee® eBooks with Audio combine professional narration and sentence highlighting to engage reluctant readers! Early on the morning of December 7, 1941, Japanese aircraft and ships attacked the U.S. military base at Pearl Harbor in Oahu, Hawaii. Following the attack, the United States would officially enter World War II, and people around the country would join together to support the war effort. But for those at Pearl Harbor, the war began when the attack ended, and civilians quickly took action. These brave heroes worked to defend Pearl Harbor. They cared for casualties and worked to repair the damage. Read more about the courageous people who experienced this tragic event.

The New Pearl Harbor Revisited-David Ray Griffin 2012-12-30 This second edition contains a 30-page afterword with additional material on the alleged hijackers, controlled demolition of the WTC, Sibel Edmonds, and the 9/11 Commission, plus a discussion of whether Standard Operating Procedures had been changed in June 2001. From a skeptical vantage-point, but also taking to heart the classic idea that those who benefit from a crime ought to at least be investigated, Griffin, an eminent philosopher and theologian, brings together an account of the national tragedy that is far more logical than the one we've been asked to believe. Gathering stories from the mainstream press, reports from other countries, the work of other researchers, and the contradictory words of members of the Bush administration themselves, Griffin presents a case that leaves very little doubt that the attacks of 9/11 need to be further investigated. The disturbing questions emerge from every part of the story, from every angle, until it is impossible not to seriously doubt the official story, and suspect its architects of enormous deception. Long a teacher of ethics and systematic theology, Griffin writes with compelling and passionate logic,
Pearl Harbor - Paul Dowswell 2003 Detailed maps, primary sources, and stunning photographs bring alive pivotal days that literally changed the course of history. Readers learn about the detailed background and the consequences of these earthshaking events. Intriguing first-person accounts and fascinating details included in each book help readers understand these important events in contemporary history.

The History of Pearl Harbor - Susan B. Katz 2021-05-25 Explore the history of Pearl Harbor—the attack that brought America into World War 2 On December 7, 1941, the Japanese military launched a surprise attack against the Pearl Harbor naval base in Oahu, Hawaii. Lasting change—Explore thought-provoking questions that help you better understand how the events at Pearl Harbor affected the world you live in today. Learn about “the day that will live in infamy” with this engaging book about World War 2 for kids.

Pearl Harbor Christmas - Stanley Weintraub 2011-11-01 Christmas 1941 came little more than two weeks after the attack on Pearl Harbor. The shock—in some cases overseas, elation—was worldwide. While Americans attempted to go about celebrating as usual, the reality of the just-declared war was on everybody’s mind. United States troops on Wake Island were battling a Japanese landing force and, in the Philippines, losing the fight to save Luzon. In Japan, the Pearl Harbor strike force returned to Hiroshima Bay and toasted its sweeping success. Across the Atlantic, much of Europe was frozen in grim Nazi occupation. Just three days before Christmas, Churchill surprised Roosevelt with an unprecedented trip to Washington, where they jointly lit the White House Christmas tree. As the two Allied leaders met to map out a winning wartime strategy, this story looks at all sides of the drama and puts deep concerns about weakening the Pacific fleet, no one believes that the main base at Pearl Harbor is under any real threat. Told through the eyes of widely diverse characters, this story looks at all sides of the drama and puts deep concerns about weakening the Pacific fleet, no one believes that the main base at Pearl Harbor is under any real threat. It is a story of Japan’s daring, tactical brilliance and fanatical dedication, and of America’s blind disbelief in a threat from the Far East that led it to ignore advance warnings from its own intelligence sources.

At Dawn We Slept - Gordon W. Prange 2001 The surprise Japanese air raid on the American naval fleet at Pearl Harbour on 7 December 1941 was one of the major turning points in history. It caused massive devastation, caught the United States unaware and plunged them into the Second World War, turning it into a truly global conflict. This gripping study scrupulously reconstructs the attack, from its meticulously planned conception, to its lightning execution and the bitter political controversy that followed. It is a story of Japan’s daring, tactical brilliance and fanatical dedication, and of America’s blind disbelief in a threat from the Far East that led it to ignore advance warnings from its own intelligence sources.

Pearl Harbor Child - Dorinda Nicholson 2013-02 In commemoration of the 70th anniversary of the attacks on Pearl Harbor, award-winning author Dorinda Nicholson is releasing her book “Pearl Harbor Child” in ebook! Years ago, I was told by a member of the Pearl Harbor Survivor’s Association that I was too young to remember the attack, and I couldn’t have been a civilian survivor of Pearl because, “there were no civilians, much less children, living inside the Harbor.” He was wrong. I was there with my family, not on a burning ship, but close enough to see the burning ships anchored near our home. Today, I still vividly remember watching the attack, I vividly remember the events, and I still remember his doubting comments. At first, I felt discounted and hurt by his skepticism. But now I am grateful. Grateful that it prompted me to ask lots of questions, do some research, and then write Pearl Harbor Child. His doubting comment encouraged me to search for books, memoirs, and articles that might support the fact that civilians did indeed live in Pearl. When I couldn’t find any, I began to doubt myself. The evidence that there was a neighborhood of civilians on the Pearl City Peninsula unexpectedly surfaced on a map taken from the dead body of a Japanese mini-submarine pilot. His map targeted the position of each ship in the harbor, and also detailed something else: the streets of our small civilian community on the peninsula, including Jean Street, where we lived and where I grew up. December 7, 1941 is “a date that will live in infamy,” according to President Roosevelt’s famous speech. And for me, and thousands of others, it’s true. Each year on that date, my thoughts always turn back to that incredible Sunday when bombs fell on Pearl Harbor.

Pearl Harbor An Illustrated History - Dan Van Der Vat 2001-05-09 Explores the causes and effects of the battle and provides first-hand accounts from the people who were there, including Japanese and Americans, military and civilian.

At Dawn We Slept - Gordon William Prange 1982 At 7:53 a.m., December 7, 1941, America's national consciousness and confidence were rocked as the first wave of Japanese warplanes took aim at the U.S. Naval fleet stationed at Pearl Harbor. As intense and absorbing as a suspense novel, 'At Dawn We Slept' is the unparalleled and exhaustive account of the Japanese bombé of Pearl Harbor. It is widely regarded as the definitive assessment of the events surrounding one of the most daring and brilliant naval operations of all time. Through extensive research and interviews with American and Japanese leaders, Gordon W. Prange has written a remarkable historical account of the assault that sixty years later–America cannot forget.

Attack on Pearl Harbor (Ranger in Time #12) - Kate Messner 2020-07-21 I Survived meets The Puppy Place in this thrilling adventure novel as Ranger -- a time-traveling golden retriever -- races to the rescue on the day of the Pearl Harbor attack. Ranger travels back to 1941 Hawaii, where World War II is on everyone’s minds. That includes Ben Hansen, a young sailor stationed at Pearl Harbor, and twins Paul and Grace Yamada who are making their weekly market trip when Japanese bombs begin to fall from the sky. As the surprise attack puts all of Ranger’s new friends in danger, his search-and-rescue training kicks in to high gear. Can he help them survive against all odds?

To Wake the Giant - Jeff Shaara 2021-05-18 The New York Times bestselling master of military historical fiction tells the story of Pearl Harbor as only he can in the first novel of a gripping new series set in World War II's Pacific theater. In 1941, President Franklin D. Roosevelt watches uneasily as the world heads rapidly down a dangerous path. The Japanese have waged an aggressive campaign against China, and they now begin to expand their ambitions to other parts of Asia. As their expansion efforts grow bolder, their enemies know that Japan’s ultimate goal is total conquest over the region, especially in the Japanese alliance with Hitler’s Germany and Mussolini’s Italy, who wage their own war of conquest across Europe. Meanwhile, the British stand nearly alone against Hitler, and there is pressure in Washington to transfer America’s powerful fleet of warships from Hawaii to the Atlantic to join the fight against German U-boats that are devastating shipping. But despite deep concerns about weakening the Pacific fleet, no one believes that the main base at Pearl Harbor is under any real threat. Told through the eyes of widely diverse characters, this story looks at all sides of the drama and puts the reader squarely in the middle. In Washington, Secretary of State Cordell Hull must balance his own concerns between President Roosevelt and the Japanese ambassador, Kichisaburo Nomura, who is little more than a puppet of his own government. In Japan, Admiral Isoroku Yamamoto wins a series of victories that may prove decisive in the Pacific, yet he understands more than anyone that an attack on Pearl Harbor will start a war that Japan
cannot win. In Hawaii, Commander Joseph Rochefort’s job as an accomplished intelligence officer is to decode radio signals and detect the location of the Japanese fleet, but when the airwaves suddenly go silent, no one has any idea why. And from a small Depression-ravaged town, nineteen-year-old Tommy Biggs sees the Navy as his chance to escape and happily accepts his assignment, every sailor’s dream: the battleship USS Arizona. With you-are-there immediacy, Shaara opens up the mysteries of just how Japan—a small, deeply militarist nation—could launch one of history’s most devastating surprise attacks. In this story of innocence, heroism, sacrifice, and unfathomable blindness, Shaara’s gift for storytelling uses these familiar wartime themes to shine a light on the personal, the painful, the tragic, and the thrilling—and on a crucial part of history we must never forget.

Japan’s Spy at Pearl Harbor—Takeo Yoshikawa 2020-02-18 Takeo Yoshikawa (1912-1993) was an ensign in the Imperial Japanese Navy and a naval intelligence officer assigned the task of spying on the U.S. Pacific Fleet at Pearl Harbor. Assuming the alias “Morimura” and the role of secretary at the Japanese Consulate-General in Honolulu in March of 1941, Yoshikawa was able to travel all over the Hawaiian Islands to gather intelligence. His reporting during the nine months preceding the outbreak of the Pacific War would help pave the way for Japan’s surprise attack at Pearl Harbor. Yoshikawa’s memoirs—published here in English for the first time—offer a gripping spy story, personal confessions, and a Japanese eyewitness view of the war in the Pacific.

I Survived the Bombing of Pearl Harbor, 1941 (I Survived #4)—Lauren Tarshis 2011-10-01 70 years later, the bombing of Pearl Harbor comes to life for a new generation of readers! History’s most terrifying moments are brought vividly to life in the action-packed fictional I SURVIVED series! Do you have what it takes to survive ... the bombing of Pearl Harbor? Eleven-year-old Danny Crane is alone on his favorite beach in Hawaii when the world is torn apart and World War II officially hits the United States. Does he have what it takes to find his way home in the midst of the bombs, the smoke, and the destruction of the day that will live in infamy?

The USS Arizona—Joy Waldron Jasper 2003-11-17 Featuring interviews with the sailors who survived, the authors present a detailed history of the USS Arizona before, during, and after the attack on Pearl Harbor, bringing to life the courage and bravery of ordinary men.
