The SAGE Handbook of Workplace Learning-Margaret Malloch 2010-10-04 This handbook provides an overview of workplace learning from a global perspective.

The SAGE Handbook of Organizational Wellbeing-Tony Wall 2021-04-14 The SAGE Handbook of Organizational Wellbeing is a comprehensive and cutting-edge work providing the latest insights into a range of perspectives on organizational wellbeing, as well as highlighting global wellbeing issues and exploring new contexts. Topics covered include: digital working and social media, LGBTQIA+ identifications and work, suicide at work, refugee workers, and mental health. A multi- and inter-disciplinary work, this handbook embraces ideas and empirical work from a range of fields including psychology, business and management, economics, and science. This handbook draws together current knowledge whilst also outlining emerging issues and directions, making this an invaluable resource for students and researchers spanning a wide array of disciplines. Part 1: Theoretical Perspectives Part 2: International Issues and Contexts Part 3: Developing Organizational Wellbeing Part 4: Emerging Issues and Directions

The SAGE Handbook of Workplace Learning-Margaret Malloch 2012

The SAGE Handbook of the Sociology of Work and Employment-Stephen Edgell 2015-09-30 The SAGE Handbook of the Sociology of Work and Employment is a landmark collection of original contributions by leading specialists from around the world. The coverage is both comprehensive and comparative (in terms of time and space) and each ‘state of the art’ chapter provides a critical review of the literature combined with some thoughts on the direction of research. This authoritative text is structured around six core themes: Historical Context and Social Divisions The Experience of Work The Organization of Work Nonstandard Work and Employment Work and Life beyond Employment Globalization and the Future of Work. Globally, the contours of work and employment are changing dramatically. This handbook helps academics and practitioners make sense of the impact of these changes on individuals, groups, organisations and societies. Written in an accessible style with a helpful introduction, the retrospective and prospective nature of this volume will be an essential resource for students, teachers and policy-makers across a range of fields, from business and management, to sociology and organization studies.

The SAGE Handbook of Aging, Work and Society-John Field 2013-09-19 Aging has emerged as a major and urgent issue for individuals, organisations and governments of our time. In this well-timed and comprehensive handbook, key international contributors to the field of study come together to create a definitive map of the subject. Framed by an authoritative introductory chapter, the SAGE Handbook of Aging, Work and Society offers a critical overview of the most significant themes and topics, with discussions of current research, theoretical controversies and emerging issues, divided into sections covering: Key Issues and Challenges The Aging Workforce Managing an Aging Workforce Living in an Aging Society Developing Public Policy

The SAGE Handbook of Organizational Communication-Linda L. Putnam 2013-11-04 Organizational communication as a field of study has grown tremendously over the past thirty years. This growth is characterized by the development and application of communication perspectives to research on complex organizations in rapidly changing environments. Completely re-conceptualized, The SAGE Handbook of Organizational Communication, Third Edition, is a landmark volume that weaves together the various threads of this interdisciplinary area of scholarship. This edition captures both the changing nature of the field, with its explosion of theoretical perspectives and research agendas, and the transformations that have occurred in organizational life with the emergence of new forms of work, globalization processes, and changing organizational forms.

The SAGE Handbook of Industrial, Work & Organizational Psychology-Deniz S Ones 2015-07-31 The third volume in The SAGE Handbook of Industrial, Organizational and Work Psychology concentrates on business decision-making and the many factors influencing the adoption and implementation of IWO practices. Chapter topics include utility assessments of interventions, decision-making errors in IWO systems, large-scale interventions and best practices reviews. Volume Three offers a comprehensive overview of the field for anyone working in or studying managerial or organizational psychology.

Handbook of Workplace Diversity-Alison M Konrad 2006-01-10 Showcases the scope of international perspectives that exist on workplace diversity and defines this field. This book is a useful resource for students and academics of human resource management, organisational behaviour, organisational psychology and organisation studies.

The SAGE Handbook of Industrial, Work & Organizational Psychology, 2e, V2-Neil Anderson 2015-01-30

Handbook of Work Stress-Julian Barling 2004-09-22 Questions about the causes or sources of work stress have been the subject of considerable research, as well as public fascination, for several decades. Earlier interest in this issue focused on the question of whether some jobs are simply more inherently stressful than others. Other questions that soon emerged asked whether some individuals were more prone to stress than others. The Handbook of Work Stress focuses primarily on identifying the different sources of work stress across different contexts and individuals.

The SAGE Handbook of Qualitative Business and Management Research Methods-Catherine Cassell 2017-12-14 The SAGE Handbook of Qualitative Business and Management Research Methods provides a state-of-the-art overview of qualitative research methods in the business and management field. Bringing together a team of leading international researchers, the chapters offer a comprehensive overview of the history and traditions that underpin qualitative research in the field. The chapters in this volume have been arranged into four thematic parts: Part One explores the influential traditions underpinning qualitative research, such as positivism, interpretivism, pragmatism, constructionism and beyond. Part Two looks at research designs, covering ethnography, field research, action research, case studies, process and practice methodologies. Part Three focusses on the researcher: examining issues such as positionality, reflexivity, ethics, gender and intersectionality. Part Four examines challenges relating to research design, access and departure, choosing participants and more.

The SAGE Handbook of Qualitative Business and Management Research Methods-Catherine Cassell 2017-12-14 The SAGE Handbook of Qualitative Business and Management Research Methods provides a state-of-the-art overview of qualitative research methods in the business and management field. The SAGE Handbook of Industrial, Work & Organizational Psychology-Denz S Ones 2015-07-31 The second volume in the SAGE Handbook of Industrial, Organizational and Work Psychology looks in detail at how teams and individuals function and perform. It covers motivation and organizational socialisation as well as the latest research into diversity and organizational culture in the workplace. There are also sections on social networks and how job loss and the experience of unemployment can affect individuals and wider groups within organizations. Part One: Lenses Part Two: Social and Political Order Part Three: Legacies Part Four: Problems and Problematics

Workplace Research-Zina O'Leary 2016-05-16 Undertaking small-scale applied workplace-based research presents a unique set of challenges including how to conduct good research in time pressured situations and how to thrive in unfamiliar work environments. This book will help you to meet these challenges by setting out a step-by-step guide to planning, conducting and delivering top quality small-scale work-based research projects. In addition this book will help you to adapt quickly to your new surroundings. It will provide a strong strategic skill set that will enable you to navigate the workplace and ensure that your research findings inform organizational decision making. It tackles the challenge of conducting rigorous credible research FOR and WITHIN organizations and provides tangible advice for those looking to complete their research in very short time frames and with limited resources. Written by established academics, with significant experience coordinating industry/government placements and internships, the book will help you to bridge the gap between academic expectations, and the requirements of the organisation, including the development of a "pitch" as well as a proposal; Produce powerful visualizations as well as logical narrative; Present practicable recommendations as well as findings/conclusions; Develop persuasive deliverables as well as traditional research reports; Create presentations that persuade as well as inform. Packed full of real-life examples, actionable advice and sensitive pedagogy this book will get you through your placement with confidence and style.

Handbook of Mental Health in the Workplace-Jay C. Thomas 2002-08-15 A reference tool to assist researchers and academics in the fields of occupational psychology and human resource management. It includes papers from expert contributors that provide the latest research and up-to-date developments in this area.

The SAGE Handbook of Industrial, Work & Organizational Psychology-Denz S Ones 2015-07-16 The first volume in The SAGE Handbook of Industrial, Organizational and Work Psychology introduces key concepts in the areas of human resource management and provides tangible advice for those looking to complete their research in very short time frames and with limited resources. Written by established academics, with significant experience coordinating industry/government placements and internships, the book will help you to bridge the gap between academic expectations, and the requirements of the organisation, including the development of a "pitch" as well as a proposal; Produce powerful visualizations as well as logical narrative; Present practicable recommendations as well as findings/conclusions; Develop persuasive deliverables as well as traditional research reports; Create presentations that persuade as well as inform. Packed full of real-life examples, actionable advice and sensitive pedagogy this book will get you through your placement with confidence and style.

The SAGE Handbook of Industrial Relations-Paul Blyton 2008-09-12 This handbook is an indispensable teaching, research and reference guide for anyone interested in issues of labour and employment. The editors have assembled a top-flight group of authors and the end-product is an encompassing state-of-the-art review of the industrial relations field - Professor Bruce E Kaufman, AYSPS, Georgia State University 'This Handbook will quickly become the standard reference in industrial relations research. It provides the most comprehensive and challenging presentation of the key theoretical debates and topics of research that will shape our field well into the 21st century. All who wish to contribute to this field will need to read this volume and then build on what these authors have to say' - Professor Thomas A. Kochan, MIT Institute for Work and Employment Research 'This authoritative panorama of the field demonstrates the contemporary vitality, breadth and critical depth of industrial relations scholarship and research. Thirty-four stimulating essays, by an international blend of leading academics, expertly review the analytical and empirical state of play across all aspects of industrial relations enquiry. In doing so, a rich agenda for further scholarly endeavour emerges' - Paul Marginson, University of Warwick Over the last two decades, a number of factors have converged to produce a major rethink about the field of industrial relations. Globalization, the decline of trade unions, the spread of high performance work systems and the emergence of a more feminized, flexible work-force have opened new avenues of inquiry. The SAGE Handbook of Industrial Relations charts these changes and analyzes them. It provides a systematic, comprehensive survey of the field. The book is organized into four interrelated sections: "Theorizing Industrial Relations "The changing institutions that shape employment practice "The processes used by governments, employers and unions " Income inequality, employee wellbeing, business performance and national comparative advantage. There exists a Global unprecedented scope and unparalleled ambition. It offers a compete guide to the central debates, new developments and emerging themes in the field. It will quickly be recognized as the indispensable reference for Teachers, Students and Researchers. It is relevant to economists, lawyers, sociologists, business and management researchers and Industrial Relations specialists.

The SAGE Handbook of Learning and Work-Margaret Malloch 2021-10-13 The first two decades of the 21st century have contributed a growing body of research, theorisation and empirical studies on learning and work. This Handbook takes the consideration of this topic into a new realm, moving beyond the singular linking of identity, learning and work to embrace a more holistic appreciation of learners and their life-long learning. Across 40 chapters, learners, learning and work are situated within educational, organisational, social, economic and political contexts. Taken together, these contributions paint a picture of evolving perspectives of how scholars from around the world view developments in both theory and practice, and map the shifts in learning and work over the past two decades. Part 1: Theoretical perspectives of learning and work Part 2: Intersections of learning and work in organisations and beyond Part 3: Learning throughout working lives and beyond Part 4: Issues and challenges to learning and work

The SAGE Handbook of Aging, Work and Society-John Field 2013-09-19 Aging has emerged as a major and urgent issue for individuals, organisations and governments of our time. In this well-timed and comprehensive handbook, key international contributors to the field of study come together to create a definitive map of the subject. Framed by an authoritative introductory chapter, the SAGE Handbook of Aging, Work and Society offers a critical overview of the most significant themes and topics, with discussions of current research, theoretical controversies and emerging issues, divided into sections covering: Key Issues and Challenges The Aging Workforce Managing an Aging Workforce Living in an Aging Society Developing Public Policy

The SAGE Handbook of Gender and Communication-Bonnie J. Dow 2006-07-19 The SAGE Handbook of Gender and Communication is a vital resource for those seeking to explore the complex interactions of gender and communication. Editors Bonnie J. Dow and Julia T. Wood, together with an illustrious group of contributors, review and evaluate the state of the gender and communication field through the discussion of existing theories and research, as well as through identification of important directions for future scholarship. The first of its kind, this Handbook examines the primary contexts in which gender and communication are shaped, reflected, and expressed: interpersonal, organizational, rhetoric, media, and intercultural/global.

The SAGE Handbook of Human Resource Management-Adrian Wilkinson 2019-04-08 The new edition of this SAGE Handbook builds on the success of the first by providing a fully updated and expanded overview of the field of human resource management. Bringing together contributions from leading international scholars - and with brand new chapters on key emerging topics such as talent management, engagement, e-HRM and big data - the Handbook focuses on familiarising the reader with the fundamentals of applied human resource management, while contextualizing practice within wider theoretical considerations. Internationally minded chapters combine a critical overview with discussion of key debates and research, as well as comprehensively dealing with important
Handbook of Gender and Work—Gary N. Powell 1999-07-29 'The structure of the book does mean chapters or sections can be read in isolation, and discrete themes investigated using the indexes. This is where it succeeds as a reference work for scholars. At the same time there is much readable material for those with a general interest in the subject' - Career Guidance The Handbook of Gender and Work is a comprehensive synthesis of current literature and knowledge regarding gender in organizations. A multinational group of leading scholars and researchers from across the disciplines examines the influence of gender (on its own and with other factors) on the conduct of work and the roles and experience of people in the workplace. Amongst the topics inclu

Handbook of Gender and Psychology—Michelle K Ryan 2013-08-31 The SAGE Handbook of Gender and Psychology is a unique, state-of-the-art synthesis of the known work, combined with current research trends, in the broad field of gender and psychology. In the past 35 years academic publications on the subject have increased tenfold, and this level of activity as well the diversity of research looks set to increase in the coming years too. The time is ideal for a systematic review of the field. Contributions come from academics across the world and many different disciplines, and as a result multiple perspectives and a diversity of methodologies are presented to understand gender and its implications for behaviour. Chapters cover a wide variety of topics, theoretical approaches, contexts, and social issues; they also critically examine the key issues and current debates. Both advanced students and scholars will find extensive range and depth in the topics covered across the new edition of this Handbook remains an indispensable resource for advanced students and researchers in the field. PART 01: Context of Human Resource Management PART 02: Fundamentals of Human Resource Management PART 03: Contemporary Issues

The Sociology of Work—Stephen Edgell 2011-12-30 "A highly readable and approachable account of the sociology of work... a first-rate introductory text that is sure to become essential reading for students, teachers, and researchers." - Jason Hughes, Brunel University "An excellent text. Its comparative and historical sweep is particularly welcome and the analysis provided is thoughtful and well grounded." - John Eldridge, University of Glasgow "An invaluable and up-to-date text for students and researchers. Detailed and wide-ranging in its scope it is an excellent source of materials combined with a thought provoking and challenging set of arguments." - Huw Beynon, Cardiff University Stephen Edgell's book charts the rise of 'work' and explores all aspects of work including paid and unpaid, standard and non-standard and unemployment. New material has been incorporated covering the theories and practices of globalization, interactive service work, economic crisis, technological and organizational change, and trade unions. Drawing on classic and contemporary theorists, the book: Covers key issues across the full and service sector work experience, formal and informal organizations, work and gender. The structure of the book does mean chapters or sections can be read in isolation, and discrete themes investigated using the indexes. This is where it succeeds as a reference work for scholars. At the same time there is much readable material for those with a general interest in the subject' - Career Guidance The Handbook of Gender and Work is a comprehensive synthesis of current literature and knowledge regarding gender in organizations. A multinational group of leading scholars and researchers from across the disciplines examines the influence of gender (on its own and with other factors) on the conduct of work and the roles and experience of people in the workplace. Amongst the topics inclu

The SAGE Handbook of Workplace Violence—E. Kevin Kelloway 2006-01-24 In this handbook, editors E. Kevin Kelloway, Julian Barling, and Joseph J. Hurrell Jr. bring together the contributions of leading researchers to provide summaries and unique perspectives on current theory, research, and practice relating to workplace violence. This is the only up to date resource currently available to provide a comprehensive overview of the current state of knowledge regarding all aspects of workplace violence and aggression.

The SAGE Handbook of Qualitative Geography—Dydia DeLyser 2010 The process of learning qualitative research has altered dramatically and this Handbook explores the growth, change, and complexity within the topic and looks back over its history to assess the current state of the art, and indicate possible future directions. Moving beyond textbook rehearsals of standard issues, the book examines key methodological debates and conflicts, approaching them in a critical, discursive manner.

The SAGE Handbook of Mentoring at Work—Belle Rose Ragins 2007-10-09 ... a comprehensive overview of the current state of research, theory and practice drawn from the leading scholars and practitioners who have advanced our understanding of mentoring in the workplace... The Handbook of Mentoring at Work; Research, Theory, and Practice, provides a definitive guide that not only informs the field, but also extends it in three critical ways: Chronicles the current state of knowledge of mentoring and identifies important new areas of research; The Handbook begins with offering an extensive, cutting-edge and in-depth review of core topics in mentoring research, such as diversity in mentoring relationships, learning processes in mentoring relationships, formal mentoring, peer mentoring, socialization and mentoring, leadership and mentoring, dysfunctional mentoring, personality and mentoring, and electronic mentoring. Extends the theoretical horizon of mentoring: The theoretical section of the Handbook builds and extends mentoring theory by drawing on a diverse and rich literature of related theories, such as network theory, adult development theory, relational theory, communication theory, personal change theory, work-family alienation, and theories of emotional intelligence. Builds a bridge between the practice and study of mentoring: The Handbook includes chapters that address not only formal mentoring programs, but also mentoring practices that relate to leadership development programs, diversity programs and international perspectives. The Handbook is a "must-have" reference for understanding the key debates and issues facing mentoring scholars and practitioners, and provides a theory-driven road map to guide future research and practice in the field of mentoring.
The SAGE Handbook of Organizational Communication - Linda L. Putnam 2013-11-04 Organizational communication as a field of study has grown tremendously over the past thirty years. This growth is characterized by the development and application of communication perspectives to research on complex organizations in rapidly changing environments. Completely re-conceptualized, The SAGE Handbook of Organizational Communication, Third Edition, is a landmark volume that weaves together the various threads of this interdisciplinary area of scholarship. This edition captures both the changing nature of the field, with its explosion of theoretical perspectives and research agendas, and the transformations that have occurred in organizational life with the emergence of new forms of work, globalization processes, and changing organizational forms.

Managing Diversity - Michælle E. Mor Barak 2016-09-22 The George R. Terry Book Award from Academy of Management and the Outstanding Academic Title Award from CHOICE Magazine Successful management of our increasingly diverse workforce is one of the most important challenges facing organizations today. In the Fourth Edition of her award-winning text, Managing Diversity, author Michælle E. Mor Barak argues that inclusion is the key to unleashing the potential embedded in a multicultural workforce. This thoroughly updated new edition includes the latest research, statistics, policy, and case examples. A new chapter on inclusive leadership explores the diversity paradox and unpacks how leaders can leverage diversity to increase innovation and creativity for competitive advantage. A new chapter devoted to "Practical Steps for Creating an Inclusive Workplace" presents a four-stage intervention and implementation model with accompanying scales that can be used to assess inclusion in the workplace, making this the most practical edition ever.

The SAGE Handbook of Organizational Discourse - David Grant 2004-07-18 The SAGE Handbook of Organizational Discourse received the 2004 Outstanding Book Award from the National Communication Association. "Organizational discourse is not a new topic but it is one that has grown in significance and citations in recent years. Thanks to the new The SAGE Handbook of Organizational Discourse there is now a definitive set of up-to-the-minute resources available, by distinguished as well as emergent researchers. It should have a prominent place on all organization researchers bookshelves." - Professor Stewart Clegg, University of Technology, Sydney "Organizational researchers interested in discourse-based methods and practices will be grateful for the chapter content insights to help theory and practice supported by podcast interviews on the book's companion website A series of case study 'snippets', activities and revision exercises. The book is complimented by a companion website featuring a range of tools and resources for lecturers and students, including PowerPoint slides, Instructors' manual, multimedia links and free SAGE journal articles. Suitable for Undergraduate and Postgraduate students on Employment Relations, Industrial Relations or HRM courses.

The SAGE Handbook of Management Learning, Education and Development - Steven J Armstrong 2009-05-07 The scholarship of management teaching and learning has established itself as a field in its own right and this handbook is the first to provide an account of the discipline. Original chapters from leading international academics identify the key issues and map out where the discipline is going. Each chapter provides a comprehensive and critical overview of the given topic area, highlights current debates and reviews the emerging research agenda. Chapters embrace the study of organizations as a whole, the concepts of individual and collective learning, the delivery of formal management education and the facilitation of management development. Through consideration of these themes the Handbook analyzes, promotes and critiques the contribution of management learning, education and development. It will be an invaluable point of reference for all students and researchers interested in broadening their understanding of this exciting and dynamic new field.

The SAGE Handbook of Conflict Communication - John G. Oetzel 2013-02-14 This second edition of the award-winning The SAGE Handbook of Conflict Communication emphasizes constructive conflict management from a communication perspective, identifying the message as the focus of conflict research and practice. Editors John G. Oetzel and Stella Ting-Toomey, along with expert researchers in the discipline, have assembled in one resource the knowledge base of the field of conflict communication; identified the best theories, ideas, and practices of conflict communication; and provided the opportunity for scholars and practitioners to link theoretical frameworks and application tools.

The SAGE Handbook of Action Research - Peter Reason 2007-10-18 For anyone seeking to create meaning out of life, inspire others with publication of research discoveries and insights, and help the world become a better place, this second edition of Action Research receives the 2004 Outstanding Book Award from the National Communication Division of the National Communication Association. "Organizational discourse is not a new topic but it is one that has grown in significance and citations in recent years. Thanks to the new The SAGE Handbook of Organizational Discourse there is now a definitive set of up-to-the-minute resources available, by distinguished as well as emergent researchers. It should have a prominent place on all organization researchers bookshelves." - Professor Stewart Clegg, University of Technology, Sydney "Organizational researchers interested in discourse-based methods and practices will be grateful for the chapter content insights to help theory and practice supported by podcast interviews on the book's companion website A series of case study 'snippets', activities and revision exercises. The book is complimented by a companion website featuring a range of tools and resources for lecturers and students, including PowerPoint slides, Instructors' manual, multimedia links and free SAGE journal articles. Suitable for Undergraduate and Postgraduate students on Employment Relations, Industrial Relations or HRM courses.
fashion. The organization of the volume reflects the many different issues and levels of analysis represented. This volume is an essential resource for scholars and professionals engaged in social and political inquiry, organizational research and education.

The SAGE Handbook of Responsible Management Learning and Education - Dirk C. Moosmeyer 2020-08-04
Reflecting the rapid rise in popularity of recent initiatives such as the UN Principles for Responsible Management Education (PRME), this handbook exhaustively covers a variety of responsible management, learning and education topics, and provides an invaluable roadmap for this fast-developing field. Covering various perspectives on the topic, right through to contexts, methods, outcomes and beyond, this volume will be an invaluable integrative resource for practitioners and researchers alike, and is designed to serve a range of communities that deal with topics related to sustainability, responsibility and ethics in management learning and education.

Handbook of Action Research - Peter Reason 2006-01-17
With the Handbook of Action Research hailed as a turning point in how action research is framed and understood by scholars, this student edition has been structured to provide an easy inroad into the field for researchers and students. It includes concise chapter summaries and an informative introduction that draws together the different strands of action research and reveals their diverse applications as well as their interrelations. Divided into four parts, there are important themes of thinking and practice running throughout.

Social work is a profession that is increasingly involved with issues which have a global dimension. This Handbook tackles the global/local aspect of social work in its various forms and interrogates the key concerns that societies are facing through an international lens. The contributors show that, with an appreciation of commonalities and differences, local practices and appropriate forms of international activity can be better developed. Areas covered include: - Analysis of ‘International social work’ - Globalisation and indigenisation - Social justice and human rights - Poverty and livelihoods - Ecological issues - Migration - Education, theory, research and practice - Social work in different settings - Religion and spirituality - Responses to disasters and conflicts - Life course perspectives - Regional perspectives - Future directions With a truly international range of contributions, the Handbook incorporates perspectives from Asia, Africa, Europe, Australasia, the Middle East and the Americas. It will be an invaluable resource for undergraduates, postgraduates, researchers and academics working in the fields of social work, social welfare, human services, and community development worldwide, as well as service providers and policy makers in the international arena.

Encyclopedia of Industrial and Organizational Psychology - Steven G. Rogelberg 2007
With more than 400 entries, the Encyclopedia of Industrial and Organizational Psychology presents a thorough overview of the cross-disciplinary field of industrial and organizational psychology for students, researchers, and professionals in the areas of psychology, business, management, and human resources. In two volumes, readers are provided with state-of-the-art research and ready-to-use facts.
